OFFICE OF LEGISLATIVE COUNSEL

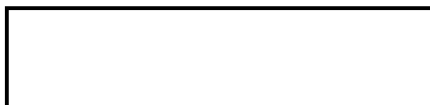

Tuesday - 20 June 1978

1. [REDACTED] BRIEFING Called Bob Brauer in the office of Representative Ronald V. Dellums (D., Calif.), and scheduled the briefing he requested yesterday for the Congressman on Castro's charges of U.S. support to UNITA for 2:30 p.m. on 21 June.

2. [REDACTED] LIAISON Received a call from Clara Buchanan, Senate Foreign Relations Committee staff, who asked that we send up to them the 9 June 1978 transcript of the DCF's briefing of the Committee. I passed this request on to Liaison Staff.

3. [REDACTED] FOIA/LIAISON Upon receipt of a letter from Senator Wendell R. Anderson (D., Minn.), I called Mr. John Berglund, of the Senator's St. Paul office, to discuss what exactly was being sought by [REDACTED]. The attached memo to the Senator's letter seemed somewhat confusing as to whom the request was directed. Mr. Berglund said he also had been confused but after talking with [REDACTED] directly, learned that [REDACTED] believes some of the "local people" are involved in matters directed against him; however, Mr. Berglund feels [REDACTED] wants to submit a Privacy Act request to each of the approximately twenty entities listed. I explained to Mr. Berglund that it would expedite matters a great deal if [REDACTED] wrote directly to Mr. Gene F. Wilson, giving the necessary background information on themselves and also a notarized statement affirming identities of each. In addition, Mr. Wilson would correspond directly with the [REDACTED] which was most agreeable to Mr. Berglund. Mr. Berglund said there was no need for a written reply to the Senator's letter of June 15.

4. [REDACTED] LEGISLATION Received a call from Tracey Cole, OMB, who indicated that she had received our draft letter on H.R. 12240, the "Intelligence and Intelligence-Related Program Authorization Acts for FY 79." Ms. Cole also informed me that a tentative meeting with OMB, Justice, State and CIA has been set with regard to issues in Title IV of the Intelligence Authorization bill.
